BizXchange (BizX) Wins East Bay Business Times “Fast 50” Award

Barter Exchange Ranked #25 Fastest Growing Company in the East Bay

Oakland, CA – September, 25 2006 – BizXchange, a business barter exchange with offices in the San Francisco Bay Area and Seattle, Washington, announced today that it has been named to the East Bay Business Times list of “50 Fastest Growing Companies” in the East Bay. BizXchange ranked 25th this year, with a 79.8% revenue growth and a 76.9% growth in employees between 2003-2005.

The East Bay Business Times gives out its Fastest Growing Private Companies (FAST 50) award annually to 50 companies. This year, the list of 50 companies is made up of two separate rankings: one based on the percentage of revenue growth and the other based on the total revenue growth in dollars.

Qualifying businesses must be located in Alameda, Contra Costa or Solano counties; have been in business for at least three years; and have produced at least \$200,000 in revenue in 2003. The winners were honored at a reception on Thursday, September 21 at the Blackhawk Auto Museum in Danville.

BizXchange views their award as evidence of their commitment to dramatically grow their client base throughout the Bay Area business community. “Bay Area companies love the benefits of doing business on trade,” says Chris Haddawy, Senior Vice President of Business Development at BizXchange. “We have been successful because barter has helped our members improve and grow their business. We owe our growth to them.”

About BizXchange

BizXchange, Inc. is an IRTA Certified Trade Exchange that allows member businesses to buy and sell products and services with other exchange members without using cash. In contrast to direct trades, BizXchange members can use BizX to make business and personal purchases from any other member in the exchange. Based in Seattle and the San Francisco Bay Area, BizXchange adds new members on a daily basis in a wide variety of categories, including media, real estate, travel, entertainment, food and beverage, printing and graphics.
