Give With BizX

2026

You have more to give than you think.

A NOTE FROM BOB

As we enter the holiday season, I want to start with something simple: thank you.

This has been a difficult year in business for many. Behind every business are people carrying the responsibility of supporting their teams, serving their customers, and taking care of their families. As a business owner myself, I know how much heart that takes.

We are proud to be able to help. Whether BizX has brought you a new customer, helped you preserve cash, or made a holiday gift a little easier to give, it means a great deal to us to be part of your success.

This gift guide is a celebration of the businesses and people who make our community special. As you shop for your employees, customers, friends, and family, I hope you'll consider the difference your purchases can make to another member. Every purchase is an opportunity to support one another and keep business moving through our communities.

Be sure to check our website and mobile app throughout the season for the latest offers, new members, and newly added gifts and items. There is always more to discover, and we want to help you put your BizX dollars to work.

Save the date: Washington Member Holiday Open House & Networking Party December 3rd

Join us for food, drinks, holiday shopping, and a chance to connect with fellow BizX members and our team. We'd love to celebrate with you! More details, including the time and location, will follow.

The season of giving also reminds us of our purpose: helping businesses thrive by connecting people and creating opportunities together. That commitment extends to the communities in every market we serve. In that spirit, BizX will be giving 1% of all transactions to BizX charities, extending the impact of the business we do together to people who need support.

Thank you for your trust, your resilience, and everything you bring to this community. If there is something you need, an expense we can help you offset, or an opportunity you'd like us to explore, please reach out. Our team is here for you, and so am I.

We are stronger together, and I'm grateful to have you as part of BizX.

Wishing you, your teams, and your families a holiday season filled with joy, connection, and renewed hope for the year ahead.

Bob Bagga

CEO, BIZX
